

## Press release-June - '05

Width: 21 1/2"  
Depth: 21 1/2"  
Height: 32"

IoA introduces The La Salle Bedside Cabinet - Featuring all seamless thermo-foil panels, drawer fronts and top with anti spill raised edge. The foil has outstanding impact and abrasion resistance and comes in a wide range of wood grains and solid colors. All components are assembled with european Cam-Locks, for easy replacement of damaged parts. This is the first of the LaSalle series which will include bedside cabinets with different drawer and door configurations, TV cabinets, dressers and armoires.
